

Nebraska Pathways to Undergraduate Nursing Degrees

Want a Nursing Degree?

Must have High School Diploma or equivalent to enter a program

Registered Nurse

(RN)

2 year or 4 year program?

Licensed Practical Nurse

(LPN)

One year program

Choose RN Program

Choose LPN Program

Associate Degree
(2 years)

Bachelor's Degree
(4 years)

Continue Education?

Upon successful completion of the LPN or RN program, you must pass the **National Council Licensure Examination (NCLEX)** prior to licensure as a LPN or RN

RN's take the NCLEX-RN exam; LPN's take the NCLEX-LPN exam

Currently hold a bachelor's degree other than nursing?

Enter a one year Accelerated RN program
